Boys soccer

First Team

F Ishmail Kamara, Sr., PHU:

A nightmare in open space, Kamara (20 goals) was a threat to score at any time.

F Greg McClimans, Sr., Calvary Christian : It's hard to ignore his 42 goals and 91 points, the highest totals in the county.

MF Stefan Cerf, Sr., Seminole : Masi's most indispensable player, Cerf lined up at just about every position for the Warhawks and thrived in each one.

MF Josh Gonzalez, Jr., East Lake: The team's leading scorer with 15 goals and 12 assists, Gonzalez had a knack for scoring in the Eagles' biggest games.

MF Jonny Sitton, Sr., Indian Rocks Chr. : Lost in relative anonymity, Sitton could start for any team in the county.

MF Andrew Smith, Jr., PHU: Athletic, tenacious, calm on the ball, great decision-maker — Smith is all those and more.

MF Karl Swan, Sr., Countryside: He was the leader of an inexperienced Cougars squad that rose above expectations this season.

D Devin Perkins, Sr., Pinellas Park: From his central defender position, Perkins was impossible to score on. "We had to play around the middle to score on them," a rival district coach said.

D Ben Sweat, So., PHU: With Sweat anchoring the defense, the Hurricanes gave up less than a goal a game.

D Phil Vestergaard, Sr., Shorecrest: The versatile Vestergaard is the county's dangerous when taking free kicks.

GK Ian Ronshausen, Jr., Northeast: Lacking a consistent scoring threat, the Vikings leaned on Ronshausen to keep games close, which the junior did nearly every time he stepped in goal.

Coach of the Year

Alex Delgado, Palm Harbor University

LARA CERRI | Times

Sebastien Thuriere, Seminole

Why we picked him: Quite simply, Thuriere was the game's most dominating player every time he stepped on the field. Hard-working, humble and incredibly gifted, Thuriere held together a team decimated by injuries. In Rick Masi's 33 years as a soccer coach, 16 at the high school level, Thuriere, a USF commit, might be his best ever. "He's right there," Masi said. "He's as good as any player I've ever coached."

Year/position: Sr., midfielder

Most impressive accomplishment: Of Thuriere's 20 goals, nine of them came in the first three games as Thuriere netted a hat trick in each. "That was the first time that I had ever done that, on any level," he said. Thuriere followed that performance with two more goals in the Warhawks' fourth game.

Did you know? Growing up in New York, Thuriere went straight from the crib to the pitch. His first toy was a soccer ball, and by age 4, he started his first game, playing up, of course, against 6- and 7-year-olds. With
